## **WORDOID**

Start your business with a memorable name.

Our name generator helps you with naming your product, company, domain and more. We create pronounceable and brandable made-up names. Make your business name truly stand out.

### **NAMING IS HARD**

Coming up with a unique name for a product, company or domain can be a real challenge. Naming is a time-consuming process, as there are many guidelines to adhere to. The right name should be short and memorable, should sound good and convey meaning, should have the potential to become a brand, and must not be already used by someone else.

### **SPARK YOUR IMAGINATION**

A distinctive name may become one of your most valuable assets. Wordoid helps you find a good name by inventing new words. Automagically. They follow the rules of phonetics and roll off the tongue. They sound like real words, though you won't find them in a dictionary. Wordoid speaks several languages, including English, Spanish and French.

### **EXPLORE... BRAINSTORM**

Wordoid provides a number of options to assist you with your naming process. Choose one or more languages, select the preferred quality level, type in a keyword, and Wordoid will come up with plenty of name ideas. Wordoid also checks if domain names are available. Give Wordoid a try, it's easy and fun!

**Workflow** - Connect the best features of your apps together. Workflows combine several steps across apps into a single tap.

**Zoom** - Zoom offers an easy, reliable cloud platform for video and audio conferencing, collaboration, chat, and webinars across mobile devices, desktops, telephones, and room systems.
