Resource of the Day 72+ FREE Stock Photo Graphics Sites - Redhead Marketing Inc.

Social Marketing. No Pain. All Gain. Providing Simple, Results-driven Social Media Marketing, Training and Consulting

Its that time again! Time to update the list of FREE Stock Photos. The previous list had 61 photo sites (some of whom are no longer around). This one has a list of **76+ FREE STOCK PHOTO SITES** that are active as of this publishing date.

If you have trouble looking for photos to share, photos online -quality photos that are easily accessed (and mostly free), this list of 76+ FREE photo/texture/clipart and webpage header graphics sites is a great resource. If you write a [blog](#), write articles or are putting together a book/ebook that needs images to “dress it up,” these 76+ FREE/Creative Commons stock photo sites are worth checking out. All of the sites listed offer images for use for free (be sure and check the terms of use for each site). Many of them also offer photos for a fee (they are often referred to as Royalty Free which means that you don’t need to pay the photographer a royalty each time you use the image).

Each of these sites are worth exploring. Be sure to read the “**terms of use**” before using any of the photos or graphics for commercial use.
